

Dear NYSCMA Members,

Happy Summer 2023 to all, and thanks to those who attended the NYSCMA conference earlier this month and those who took the time to reply to the post-conference survey. Your comprehensive and thoughtful comments will help guide the Association Officers in our subsequent annual planning efforts.

June 1st begins a new official year for NYSCMA and with it, annual dues payments. Attached you'll find the 2023-2024 application for membership and dues. Please note that the annual dues remain the same year to year in each of the existing categories. The NYSCMA Officers approved a new membership category in April to account for MPA graduates who, a year after graduation, have yet to find public employment but are still interested in municipal government as a career. The annual fee for such a member is established at \$50.00.

Thanks to colleagues like you, NYSCMA continues to grow in its professional reputation. Please know that the Officers are committed to support your professional growth, enhance your leadership skills, and share applied knowledge.

Please return the NYSCMA 2023-2024 membership application no later than September 30, 2023 to the attention of George Calvi, NYSCMA 980 Broadway #627, Thornwood NY 10594.

Best regards,

Stephen M. Pappalardo
Executive Director
